

ZONING/DEVELOPMENT PERMIT APPLICATION

This application is made for a zoning/development permit to erect or alter a structure as shown on the attached diagram or to use the property for the purpose described. The information which follows, with the location diagram, is made part of this application by the undersigned. It is understood and agreed by the applicant that any error, misstatement, or misrepresentation of material fact, either with or without intention, may cause a refusal of this application. Any change in the location, size, or use of structure or land after the issuance of this permit, without the approval of the Zoning Administrator or the Zoning Hearing Board shall be grounds for the revocation of this permit. The applicant agrees to allow the Zoning Administrator or duly appointed assistant to examine all structures and land for which an application for a Zoning/Development Permit has been requested. Please see that other permits (including building, subdivision, land development, highway occupancy, sewage planning, floodplain management, etc.) are in place before proceeding. **All construction must be completed before the expiration date of this permit. This permit is valid for one (1) calendar year from date of issuance.**
